

Sponsorship Application

Little League Baseball has been a part of Germantown for over 20 years. We are a nonprofit organization serving over 500 youth in Germantown by providing a quality youth baseball program that focuses on teaching the skills of America's pastime and also helping the young people of our community learn to work together as a team, develop individual leadership skills and increase their self confidence. We are staffed entirely by volunteers who are dedicated to creating the best quality program possible for the children, and we need your help to continue this tradition.
